Our Junior Director program offers a unique opportunity for teens to learn the art of directing. The teens will participate in and lead many of the activities that the campers do. The

Junior Directors will also be in charge of directing the campers in their end-of-the-week skits. Directing is no easy task, so our highly trained and experienced teachers will be

there to guide and teach the Junior Directors as they navigate how to block a show, how to guide actors properly, and how to put together a play the whole way from page to stage. The Junior Directors will also have the opportunity to perform in their own end-of-week skit. Note: there are typically only 3-4 Junior Director slots per camp.
