THEMED CAMPS

Ignite your child's creativity with Drama Kids Workshop-Themed Camps! More than just acting, our camps foster confidence, resilience, and essential life skills. Through engaging themes, kids explore emotions, perspectives, and self-expression in a fun and supportive environment. They'll develop character, master scripts, and unlock their full potential—both on stage and in life!

WHEN SCHOOL IS OUT..

DRAMA IS IN!

Join a high-energy, week-long adventure into the world of musical theater. Campers will explore five iconic musicals, diving into their stories, songs, and characters. Through daily workshops, they'll learn choreography, vocal techniques, and acting skills, bringing each show to life. By the end of the week, campers will perform a small presentation showcasing scenes, songs, and dances from all five musicals. Whether you dream of being on the stage or just love musical theater, Broadway Bound is the perfect way to experience the magic of Broadway in a fun, supportive environment!

Explore a mystery-filled drama camp where campers dive into a thrilling adventure in the magical land of Oz! When strange happenings begin to unfold along the Yellow Brick Road, it's up to you and your fellow campers to uncover the secrets behind the mystery. Through acting, problem-solving, and teamwork, you'll encounter familiar characters, solve puzzles, and perform key scenes as you work your way closer to the truth. With each clue, you'll unlock new layers of the Oz story, culminating in a suspenseful presentation for friends and family. Are you ready to solve the case?

Descendants of Heroes & Villains

Step into a world where legacy is everything, and the line between good and evil is more blurred than ever before. Campers will explore two factions: the Heroes or the Villains. Each group will work together to create dynamic performances that bring their characters' stories to life—whether it's a tale of bravery, redemption, or cunning plans gone awry. Campers will engage in acting workshops, learn the art of stagecraft, and develop their own characters, all while forming friendships that may defy the very nature of their character's legacy. Will you embrace your heroic potential, or will you follow in the footsteps of your villainous ancestor? Either way, your story will be one for the ages. Join us at Descendants of Heroes and Villains, where the next great generation is about to be written.

Are you ready for it? Step into a world of excitement and self-expression at The Spotlight Era Camp! Unleash your inner performer through dramatic storytelling, dynamic movement, and confidence-boosting activities. Inspired by themes of individuality, creativity, and passion, you'll craft original scenes, explore the art of self-expression, and learn to command the stage like a pro. This camp celebrates what makes you unique, helping you shine in every performance. Whether you're telling a powerful story or delivering a show-stopping moment, you'll feel the thrill of stepping into the spotlight. It's your time to dazzle, create, and start your very own Spotlight Era!
