

Frequently Asked Questions

Q: What do you do in each class?

A: Our classes begin with fun introduction activities that prepare the students' bodies, minds, and voices for their Drama Kids class. Then, in our speech component, students hone their articulation, projection, and volume control skills. In the creative movement portion, students implement postures, body language, and physical storytelling. In our main lessons, students perform short scenes (either scripted or improvised) to combine their speech and movement skills with their own creativity. Each class concludes in a high-energy concluding activity.

Q: Do students put on a play at the end of the session?

A: At the end of each Fall Session, families are invited into their students' Drama Kids classroom to participate in a fun lesson in which students act as Drama Kids teachers. At the end of each Spring Session, students perform a Spring Showcase. This is a short, theatrical performance where they are given the chance to demonstrate the skills they've learned in class.

Q: Will my student have the same teacher all year?

A: Yes. Barring extremely unusual circumstances, Drama Kids teachers instruct their classes for the duration of the school year (Fall and Spring Sessions).

A: Yes! Click [here](#) to complete the trial request form. You will receive a confirmation email within 48 hours of your request. If you have any trouble please call our office at 813-489-5899 and one of our representatives will be happy to assist you in setting up a trial class for your student.

Q: Can I watch class?

Frequently Asked Questions

Q: How much does it cost?

A: Tuition costs are specific to each location due to each class' unique schedule and number of classes provided. Tuition prices are listed next to each class on the "Class Schedule" tab.

Q: If we enroll after the session starts, do we still pay the full tuition or will tuition be prorated?

A: Tuition will be adjusted to exclude the previous classes your student did not attend!

Q: Do I have to pay the tuition all at once, or do you have payment plans available?

A: No, you do not have to pay the tuition all at once. If you pay the tuition in full there are no additional processing fees. You also have the option to pay in either two or four installments for a minimal 5% processing fee. When registering you will be given the opportunity to select your desired payment option.

Q: Are there any additional costs besides tuition?

A: There is a \$25 administrative fee per family each school year. This helps cover registration and administrative fees. During the Spring Session, there is a \$15 performance fee that will be charged to your account on March 1 to help cover all materials needed to produce a great Spring Showcase experience for our students. Drama Kids also asks that the simple (and inexpensive) costumes and props used in the Spring Showcase are provided by students' families.

Q: Can I make tuition payments in cash?

A: At this time, Drama Kids does not accept cash tuition payments. Drama Kids only accepts tuition payments by credit card and check.
