August 3 (full-day 9-4)	Superhero Playhouse Acting Academy CIT	Ages 6-14 Ages 15-17	\$170 \$150

DKI Playhouse - Campers use their creativity to deliver a great performance created, directed, and performed by THEM! Campers explore all aspects of theatre including acting, directing, set design and costumes.

All Playhouse camps end in a fabulous performance. Choose from these themes:

- **Mystery Theater** - Who? What? Where? When? Why? Campers hone their observation and detection skills creating a real WHODUNIT. Lots of mysterious activities exploring the mystery genre.
- **Acting Academy** - *For Teens only*, accents, auditioning, directing, playwriting and production.
- **Drama Rocks!** - Singers and non-singers, dancers and non-dancers, musicians and non-musicians, EVERYONE loves music! Campers explore the musical side of drama and rock the house!
- **Superhero** - Heroes and villains like Captain Kleenex, Ice Girl, Donut Dude, and Spider Woman or *whatever* characters campers create to frolic in their own epic adventure.

KinderKids Adventureland - Just for our youngest campers. Go on an adventure to a different land every day. Campers bring home a new 'souvenir' from each day's travel. A rainforest, a medieval castle, even another planet!

STEAM Camp - We make Science, Technology, Engineering, Art and Math FUN!! Robotics, science projects, drama, music and more all wrapped in one exciting circus-themed week! Drama Kids is the only drama program trained in STEAM education.

Acting Academy CIT - Our Counselor-in-Training program teaches budding teachers and directors leadership and responsibility without missing out on the fun. AA activities as well as training and performing with younger campers. *Limited spaces available.*
