DRAMA KIDS SPRING PERFORMANCE!

At Drama Kids, we build confidence, creativity, and communication skills in kids ages 4–18 through the power of drama. Our students learn to express themselves, think boldly, and perform with pride.

Today, you'll see performers of all experience levels working together as one cast—growing, encouraging, and shining on stage. No matter their individual goals, today they all share the same dream: to put on a great show for you.

Thank you for supporting your Drama Kid and for valuing the lifelong skills they're building here.

Enjoy the show! Valéria Marto Director (a.k.a. The Drama Queen)
