“Once Upon a Time” Theatre Camp (ages 7-12)

Join us as we take a journey into all those famous fairy tales you've come to love and turn them totally upside-down. Campers will learn how to adapt traditional fairytales using unexpected characterization, modified points of view and bizarre plot development. Campers will develop their own character as they participate in short plays, comic improvs, silent scenes, act out hilarious mini-scripts, and create their own zany endings to the stories we all love. Participants are sure to live “happily ever after” as they take the stories from the page to the stage, using the masks, props, and characters they created. A magical time will be had by all! Campers should bring lunch, snacks, and bottled water.
