Wild West Adventures

Howdy Partner! "Gallop" and "Curtsy" your way in to this Wild Wild West Drama Kids Camp! Learn and practice your southern accent, participate in stunt-work, create scenery and props, engage in the art of "melodrama" and play some fun and unique "old-time" games.

Make Them Laugh

Come join us in this hysterical and whacky Drama Kids Camp, where you will surely be "cracking up" all week long. In this camp, we will be focusing on the art of comedy where you will learn how to properly perform jokes, stunts and magic tricks, engage in the art of "clowning", create your own comedy show scenes.

DKI-Playhouse Hollywood Edition

Become your "own star" and shine bright with us! From creating your own movie scenes and commercials, conducting and engaging in interviews, exploring music and movement in your own music video, and walking down a red carpet...you will surely feel you have become famous over night!

SUPERHEROES

Break out your capes and invisible cloaks because it is time to reveal your Superhero alter ego...complete with missions, specific hero traits and of course, super-powers!! Through scene-work, movement, art and collaboration, we will create our own epic adventure that will showcase each super-hero.

Spies, Disguises and Mysteries

Spies, Disguises, and Mysteries...Oh My! Come help us solve mysteries, become spies and explore silly disguise techniques in this special Drama Kids Camp. We will engage in lots of team-work solving activities, learn actual "spy" techniques and traits, create silly disguises and masks, and work on our own "Clue: Mystery" performance.

Out of This WORLD!

Take a trip into your imagination in our "Out of this World" Drama Kids Camp. Take a space adventure and explore the life of an alien, dig deep into unknown caves and become your own monster, or frolic through mystical fields as trolls and fairies. Each day we will visit a special "out of this world" environment, learn improvisational skills through movement, scenes and games, and create relevant art projects and scenery items.

DKI ACTING ACADEMY STUDIO

Ages 11-17... Our summer studio will develop your creative, entrepreneurial, and acting abilities. In small groups you will learn the art of persuasion and marketing as you create your own TV commercial. Your commercial will be filmed and shown on the last day of studio.

Only 2 sessions being offered! 7/15 Franklin and 8/12 Medfield

All camps will end their week with a performance for Family and Friends!
