

Drama Kids Summer Camp

Drama Kids Summer Camp includes a unique combination of fun, creative, and entertaining theatre and speech activities. We do large group improvisations, silent scenes, dialogue development, scene starters, theater games and more. Each week will also include a special theme, fun dress-up days, **and culminate in a fabulous presentation for family and friends.**

2013 Camp Themes

DK1 Playhouse

Join us as we let our campers use their creativity to deliver a great play – created, directed, and performed entirely by – THEM! Campers will explore all aspects of theatre from acting and directing, to set design, and more. Our campers will bring the house down during their End of Camp DK1 Playhouse Presentation, performing a play their team creates. Want to know how the show ends? So do WE!

Make Them Laugh

Milton Berle once said- "Laughter is an instant vacation." Campers this week will learn the art of comedy and clowning. In addition to a wide range of our zany drama activities, campers will learn and rehearse special clown activities that will be performed for you at their end-of-camp Big Show. Join us and take an instant vacation!

Once Upon a Time

During this week, campers will explore their favorite characters from storybooks around the world using the art of masks and movement. This week will certainly end happily ever after as campers use the masks and characters they created in our End of Camp presentation. A magical time will be had by all!

Mystery of Puppetry

Ever wanted to learn the secrets of puppetry? In this week, campers will create their own puppet and learn the fundamentals of bringing a puppet to life. Throughout the week, activities will include mysteries to solve and maybe even a hidden treasure! Campers will all "have a hand in" the End of Camp Presentation as their puppets will be included in the show.

DKI has delivered its developmental kids' acting program in 11 countries for nearly 30 years. It has been internationally recognized for its creative, evidence-based drama curriculum and teaching methods that are great fun and highly developmental for all children. Kids will:

- ⚙ Gain confidence, poise and self-esteem while expressing themselves clearly, creatively and confidently
- ⚙ Develop critical-thinking skills to apply to academic challenges.
- ⚙ Learn to work in teams while gaining social skills
