# Summer Drama Camp Schedule 2015

**DKI Playhouse** - Campers use their creativity to deliver a great performance created, directed, and performed by THEM! Campers explore all aspects of theatre including acting, directing, set design and costumes. **All Playhouse camps end in a fabulous End of Camp performance. Choose from the following themes:**

- \* **Mystery Theater** - Who? What? Where? When? Why? Campers hone their observation and detection skills creating a real WHODUNIT. Lots of mysterious activities as they explore the mystery genre.
- \* **Acting Academy** - For teens only, auditioning, accents, directing, playwriting and production.
- \* **Drama Rocks!** - Singers and non-singers, dancers and non-dancers, musicians and non-musicians, EVERYONE loves music! Campers explore the musical side of drama and rock the house!.
- \* **Superhero** - Heroes and villains like Captain Kleenex, Ice Girl, Donut Dude, and Spider Woman or *whatever* characters campers create to frolic in their own epic adventure.

**STEAM Camp** - We make Science, Technology, Engineering, Art and Math FUN!! Robotics, science projects, drama, music and more all wrapped in one exciting week! Drama Kids is the only drama program trained in STEAM education.

**KinderKids Adventureland** - Just for our youngest campers. Go on an adventure to a different land every day. Campers bring home a new 'souvenir' from each day's travel. A rainforest, a medieval castle, even another planet!

**Acting Academy CIT** - Our Counselor-in-Training program teaches budding teachers and directors leadership and responsibility without missing out on the fun. AA activities as well as training and performing with younger campers. *Limited spaces available.*
