

Building Up

Full Day Saturday Workshop - April 26 or May 17

- What is **Science** without creative thinking and risk-taking?
 - What is **Technology** without design and logistics
 - What **Engineering** team needs no leadership skills?
 - What is **Math** but problem-solving?

The **Arts** are an integral part of education because what is a great idea without the courage, confidence and skills to present it?

Website Design

- Learn basic HTML/CSS/Javascript and build a website

Robotics

- Build an autonomous robot

Drama

- Build creativity, leadership, teamwork and verbal skills, via high-energy theater activities

Wearable Tech

- Create a t-shirt design blending art and technology

Ages 9-17

9am-5pm

Registration fee: \$50
