

Q: What do you do in each class?

A: Our classes begin with fun introduction activities that prepare the students' bodies, minds, and voices for their Drama Kids class. Then, in our speech component, students hone their articulation, projection, and volume control skills. In the creative movement portion, students implement postures, body language, and physical storytelling. In our main lessons, students perform short scenes (either scripted or improvised) to combine their speech and movement skills with their own creativity. Each class concludes in a high-energy concluding activity.

Q: Do students put on a play at the end of the session?

A: At the end of each Fall Session, families are invited into their students' Drama Kids classroom to participate in a fun lesson in which students act as Drama Kids teachers.

At the end of each Spring Session, students perform a Spring Showcase. This is a short, theatrical performance where they are given the chance to demonstrate the skills they've learned in class.

Q: Will my student have the same teacher all year?

A: Yes. Barring extremely unusual circumstances, Drama Kids teachers instruct their classes for the duration of the school year (Fall and Spring Sessions).

Q: Can I watch class?

A: For the comfort of other students, Drama Kids discourages parents from observing classes. However, we encourage families to join us for Family Fun Favorites lessons and Spring Showcases.

Q: Do we need to wait until the new session starts to enroll, or can we enroll today?

A: Drama Kids has open enrollment. Students can be enrolled at any time during the session!

Q: What if there is not a Drama Kids class at our school?

A: Have no fear! Drama Kids is always looking for new class locations. Send an email to dramakidsde1@gmail.com or call our office at 302-477-1025 for information on how you can become a Parent Ambassador and help us bring Drama Kids to your child's school. If not, please select your nearest region under our "Class Schedule" tab to locate your nearest community class location.

Q: My kid really loves to perform. Do you offer musical theatre classes?

A: We sure do! These classes are offered within our exclusive Drama Kids Performance Academy.

Q: What is the Drama Kids Performance Academy?

A: DKI Performance Academy is a musical theatre program that students can take in addition to their Drama Kids Actor's Workshop or Acting Academy class.

Q: Are there any prerequisites required to join the Drama Kids Performance Academy?

A: ALL students in the Performance Academy must also be registered in a Drama Kids Workshop class... NO exceptions. This class is crucial to the success of our shows as this is where our students receive the foundation and skills needed to produce an amazing show. We also ask that any student wishing to join Drama Kids Performance Academy have previously taken a year's worth of Drama Kids Workshop classes.
